Vic Edelbrock Sr. And Vic Edelbrock Jr. To Be Inducted Into The Automotive Hall Of Fame

Olive Branch, MS — The Edelbrock Group® is proud to announce that both Vic Edelbrock Sr. and Vic Edelbrock Jr. will be posthumously inducted into the prestigious Automotive Hall of Fame in Dearborn, Michigan, on September 19, 2024. This honor celebrates the exceptional achievements of individuals in the international automotive industry. Both men are being recognized for their groundbreaking contributions to the automotive industry and their lasting legacy as pioneers in high-performance automotive parts.

The Edelbrock® name has long been synonymous with innovation, quality, and performance. Vic Edelbrock Sr., who founded the company in 1938, was a trailblazer in the development of performance parts, creating products that defined the hot-rodding culture and set new standards in automotive engineering. His commitment to excellence laid the foundation for a brand that has continued to thrive for over eight decades.

Vic Edelbrock Jr. took the reins of the company after his father's passing in 1962. He expanded the company's product lines and cemented Edelbrock's position as a leader in the aftermarket performance industry. Under his leadership, the company introduced iconic products such as the Performer and Victor Jr. intake manifolds, thereby solidifying his place as a respected figure in the racing and hot-rodding communities. His dedication to quality and performance ensured that the Edelbrock name remains a symbol of trust and excellence.

"We are deeply honored that both Vic Edelbrock Sr. and Vic Edelbrock Jr. are being recognized with this incredible distinction," said Chris Douglas, President/CEO of the Edelbrock Group. "Their passion for innovation and their commitment to the automotive community have left an indelible mark on our industry. This induction into the Automotive Hall of Fame is a testament to their enduring legacy and the impact they've had on generations of automotive enthusiasts. I am thankful every day for their accomplishments, vision, and sacrifices."

The induction ceremony will be held at the Automotive Hall of Fame in Dearborn, Michigan, where the Edelbrocks' achievements will be celebrated alongside other luminaries of the automotive world. Representatives from the Edelbrock Group, along with the daughters of Vic Edelbrock Jr., Camee, Carey, and Christi, and their families, will be in attendance to honor the memory and contributions of these two automotive legends.

When reached for comment, Camee Edelbrock was appreciative of the honor being bestowed on her family. "This is an incredible honor for the Edelbrock family as well as all the men and women who have worked alongside our grandfather and father over the years," she said. "We want to thank the Automotive Hall of Fame for recognizing the significant contributions they made to the world and making the Edelbrock name a permanent part of automotive history."
